

Let us help!

We'll upload up to ten pieces of your research onto our website within ten business days.

We offer this service to anyone registered on our website, at no cost. You will maintain full control of every resource we upload to the Clearing House, and you can edit metadata and even make your research unavailable at anytime. All we ask in return is that you give us a thank you.

You'll need to complete the form below to give us permission to upload your research. We'll then be in touch to:

- go through our Author's Agreement
- arrange for you to send us your research
- discuss metadata with you over the phone
- discuss how you'll say thank you

Choose one of four ways to say thank you:

1: Banner Swap - Display Community Research's logo and link on your website for six months and we'll do the same for you. We'll supply you with the stuff you need.

2: Give Us a Shout - Mention us in your e-newsletter, blog, tweets. We'll help you craft a message or provide language that you can use.

3: Host a Party! Host a 'Research Potluck' for other researchers and groups like yours to get together and upload evaluation and research. We'll pay for refreshments, send you decorations and a few resources, and talk you through the process.

4: Become a member. Let us supply more information.

Complete the form below and we'll call you to discuss.
